

MISSION & VISION

Mission

To provide a world-class neighborhood school whose students thrive in a culture of academic excellence, character development, and caring relationships. Hope Leadership Academy aims to develop in its students mastery of a rigorous and authentic core curriculum, outstanding leadership skills including a dedication to serving their community, extraordinary critical thinking ability, and a passion for lifelong learning.

Vision

We envision a vibrant, close-knit neighborhood based school where all students reach for and attain their highest goals. By creating a caring and supportive environment with high expectations, we will empower students to become enthusiastic learners and respectful citizens who work diligently to better themselves and their neighborhood. Students will experience a high level of success both academically and in the world around them, which will strengthen families and the neighborhood we serve.
